

**God, we thank you for calling us to praise you. To give our hearts, minds and voices to you in worship.**

**We thank you for the creative minds from Miriam and King David onward whose gifts of music have been passed down to us.**

**We thank you for our choirs and for choirs of angels, who together lift our hearts to praise.**

**Bless, O Lord, the sacred musicians here at our church and in every church, in every time, whose music connects us to you, and you with us.”      John A Dalles**

MANY people contribute to the music at Grove – they help us focus our thoughts on our Savior, guide us in praise, comfort us in sorrow, illustrate points of sermons, lead us in singing, inspire us in so many ways. Thank you to all who have been part of Grove’s music this year, your faithfulness and generosity are so greatly appreciated.
