

GROVE PRESBYTERIAN CHURCH

*376 Bloom Street
Danville, Pennsylvania 17821*

October 18, 2020

Dear Grove Family:

We are writing to ask for your support. To plan for our 2021 ministry, we are conducting our Stewardship Campaign with the goal of receiving \$300,000 in pledges. We hope you'll read on, pray, and consider how you can support Grove in 2021.

We've been up to a lot lately! Grove Presbyterian Church shines a light in the Danville community by showing care and compassion, providing a place for people to belong, and engaging in meaningful worship. We are building on a strong tradition of family ministry and adapting to worship in a challenging time. We are a church who shares our time and talents and cares for one another.

The ministries at Grove are supported by the generous giving of our congregation. Your pledges provide the means to carry out the mission and ministry we are called to. Giving is an opportunity to express our gratitude for God's goodness. We're asking our members to make pledges for the coming year, so we know how to budget accordingly.

Please review the enclosed brochure to get an idea for how we're preparing to use your gifts in 2021 based on the guidance of our Session. We are planning to continue to grow our care and compassion and connection with our members. We will strengthen our family ministries and continue to enhance our worship in these unique times. We will continue to meet the worshipping needs of our congregation while finding new and innovative ways to express our love for God. Giving to Grove helps you join in the story with us!

With all this being said, the most important part of our ministry is you, our members, friends, and family of Grove Presbyterian Church. You help to make these ministries happen. All of this takes your hard work and support.

Will you join us in making a pledge to support Grove in 2021?

Help us respond with joy and gratitude as we look forward to 2021. We're asking you to pray about how you can support Grove Presbyterian Church and its ministries in the coming year. As you consider your pledge, we ask that you return the enclosed pledge card by November 1st. If a financial commitment is not possible for you, please consider making a pledge of time or talent instead.

God bless you!

With thanks,

The Stewardship Campaign Committee of Grove Presbyterian Church
